This license is to be used for requests for well defined project areas. Custom data services are available, contact KSNPC before requesting.

Fees:

The fee for standard data services is \$75 per hour. There is a one-hour minimum for all requests. Standard requests require an average of one to two hours. It normally takes two to three weeks to receive your response. The response time is not guaranteed; at certain times our workload does not allow all requests to be processed in this timeframe. Please inform us of any deadlines that must be met. Data can usually be provided in 48 business hours (excluding weekends and holidays) for \$150 per hour, or one-week service is available for \$112.50 per hour. Government agencies, nonprofit organizations, students and researchers are provided limited data services at the standard time frame as time and resources permit.

Acceptance of Stipulations Concerning Preliminary Mapping and Database Products from the Kentucky State Nature Preserves Commission

Requests for information from KSNPC will not be filled unless this form is signed and dated. The undersigned, in accepting preliminary mapping and database products, hereby acknowledges the limitations of such rare species attribute and locational information and the following restrictions on use:

1. The database from which these information products are developed is in preliminary form, subject to change and regular updates. This map or database product was produced and maintained by the Kentucky State Nature Preserves Commission for its internal purposes only. The Kentucky State Nature Preserves Commission makes no representation or warranty as to its accuracy, and in particular, its accuracy as to labeling, dimensions, boundaries, or placement or location of any map features thereon. The Kentucky State Nature Preserves Commission MAKES NO WARRANTY OF MERCHANTABILITY OR WARRANTY FOR FITNESS OF USE FOR A PARTICULAR PURPOSE, EXPRESS OR IMPLIED, WITH RESPECT TO THIS MAP PRODUCT. Any user of this map or database product accepts the same AS IS, WITH ALL FAULTS, and assumes all responsibility for the use thereof, and further covenants and agrees to hold the Kentucky State Nature Preserves Commission harmless from and against any damage, loss, or liability arising from any use of the map or database product.
2. Data and data products received from the Kentucky State Nature Preserves Commission including any portion thereof, may not be reproduced in any form or by any means without the express written authorization of the Kentucky State Nature Preserves Commission. The exact location of plants, animals, and natural communities, if released by the Kentucky State Nature Preserves Commission, may not be released in any document or correspondence. These products are provided on a temporary basis for the express project (described above) of the requester below, and may not be redistributed, resold or copied without the written permission of the Kentucky State Nature Preserves Commission's Data Manager (801 Schenkel Lane, Frankfort, KY, 40601. Phone: (502) 573-2886).
3. When such information is used the following disclaimer and waiver of liability shall be included and displayed prominently so as to alert any person viewing or utilizing this information:
NOTICE: It is understood that, while the Kentucky State Nature Preserves Commission and its suppliers of information have no indication or reason to believe that there are inaccuracies or defects in information incorporated in the base map or database, the Kentucky State Nature Preserves Commission and its suppliers make NO REPRESENTATIONS OF ANY KIND, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE, NOR ARE ANY SUCH WARRANTIES TO BE IMPLIED, WITH RESPECT TO THE INFORMATION OR DATA, FURNISHED HEREIN.
4. A permanent access structure for the Natural Heritage database, derivative products, Geographic Information System, and other information management resources is being developed by the Kentucky State Nature Preserves Commission, and this license to use of the system is deemed to be temporary, revocable, and valid for only the period indicated, or until a final Information Resource access policy is established.
5. Documents incorporating Kentucky State Nature Preserves Commission data and data products shall include explicit reference to the Commission as a source to be cited as follows: "Information provided by the Kentucky State Nature Preserves Commission. Further information is available by contacting the Data Manager, KSNPC."
6. Any use, display or incorporation of Commission data or information products shall include the date on which such information was provided.
